Attorney's Docket No.: 12732-026001 / US4850

REMARKS

Claims 1-26 are pending in this application. Applicants elect the invention of group II (claims 11-26). However, applicants have amended the preamble of claims 1-10 to change "a self-luminous device" to "an electronic device" to overcome the restriction requirement. In view of this amendment, applicants believe that all of the claims should be examined. No new matter has been added.
